Who Are We?

Transolution Services Africa Limited prides in being a champion of transforming lives, sharpening leadership management skills and challenging businesses to achieve their potentials. We work with a variety of clienteles ranging from government, institutions, community-based organizations, young people and senior leadership among others- both locally and internationally. Our goal is to help our clients maximize opportunities within their ecosystems.

Through our expertise, we have a presence in 14 countries in Africa.

Our suit of services includes but are not limited to executive training, bespoke coaching and counselling services, translation and interpretation, project management, implementation and monitoring and evaluation..

Core Values

- ◆ *Empowerment*
- ◆ *Transformative*
- ◆ *Teamwork*
- ◆ *Confidentiality*

Our Vision

To be the leading choice of our clients as a one roof business advisory platform and propel the wealth of our continent.

Our Mission

We pride in championing world class, executive, bespoke services.

Our Ambition

Our clients experience platinum services that ultimately transform them into who they should be - effective.

Our Ethics

We are ethical and professional in all our corporate and civil undertaking and God is our anchor.

Training, Coaching And Counseling

“One of the best training companies in Kenya. I highly recommend it. Staff are professional and knowledgeable, and their customer care is excellent.”

Nelly Munala, Kenya

“Meilleure compagnie de formation. Bon staff qui se soucie à la fois des aptitudes personnelles et professionnelles.”

Jean-Laurent Nyanie, Cote D'Ivoire

“I have taken my 16 years old daughter for lots of training programs, but this is by far one of the most impactful I have seen. She’s bloomed, blossomed and transformed mentally and emotionally after this training. Her growth and development is undeniable. I highly recommend it to other parents to take their teenagers .”

Makena Mathiu, Kenya.

“The Shifting Landscape programme was a very interesting and eye opening programme. It made me learn more about myself and taught me how to communicate better and control my anger, which are all essentials in leadership. I was able to get a clear understanding of my purpose and choose a career that best suits my personality traits to map out my career path.”

Tevin Ngatia, Kenya.

“Our organization recruited Transolution Services to provide team building training services to our marketing team. Since then, we have outsourced the company for all our corporate training, specifically in areas of governance, leadership, sales and emotional intelligence. The feedback has always been positive”

Emmanuel Kigalu, Tanzania.

Translation And Interpretation

“Thank you so much for the professional interpretation provided during our regional conference. The feedback has been positive and we look forward to more engagement”

Agnes Banda, Malawi.

“The Young African Leaders Initiative (YALI) was launched by President of the United States Barack Obama as a signature effort to invest in the next generation of African Leaders. In July 2014, President Obama announced the creation of four Regional Leadership Centers in Ghana, Kenya,

Senegal and South Africa. The YALI Regional Leadership Center East Africa located at Kenyatta University in Nairobi serve 14 countries in East and Central Africa. We recruited Transolution Services to provide translation services for the center. We were very happy with the quality of the work submitted and it was well received by our clients. The timing of delivery was as expected, with communication during the process well informed.”

Cyril Obura, Kenya

“I wish to confirm that I engaged Transolution Services on behalf of a client of a firm for translation of an employment contract. I can confirm that my client was pleased with the quality of the translation as well as the affordable rates and especially by the fact that the company was able to deliver on time and on short notice.”
Anne Babu, Kenya.

“We have engaged Transolution Services, for interpretation services, on several assignments across the continent. The personal approach and global expertise of the staff are unquestionable. I highly recommend Transolution for translation and interpretation services.”
Nana Mensah, Ghana.

“We held an Indigenous Leaders Conference in Nanyuki at Sportsman arms in October 12th and 13th 2018. We were fully satisfied by the quality services that we received from Transolution services. Our event was considered the best conference ever held. Thank you Transolution for making our two days event successful. We look forward to working with you again in our future events.”
Grace Warui, Kenya.

Project Management, Implementation and M&E

“I have worked with Transolution Services on assignments across Africa and I recommend the company’s high level of professionalism. In addition to their global expertise and skill, staff have very strong organizational and client relationship skills; and works well in leading teams to high performance levels. They are flexible and adopt well to changing work environments that require application of

multi skills. The Transolution team makes a great fit for diverse cultural contexts and provision of solutions to new and emerging problems across administrative, management and governance levels.”

*Ben Mwongela,
Managing Director,
Agile Consulting.*
